HUTCHMED Announces the Closing of the Global Offering and the Primary Listing in Hong Kong

Hong Kong, Shanghai, & Florham Park, NJ — Wednesday, June 30, 2021: HUTCHMED (China) Limited (“[HUTCHMED](#)” or the “Company”) (Nasdaq/AIM: HCM) today announces the listing of its ordinary shares (“Shares”) on the Main Board of the Stock Exchange of Hong Kong Limited (the “SEHK”) under the stock code “13” and the closing of its [previously-announced](#) primary offering of 104,000,000 new ordinary shares on the SEHK (the “Offer Shares”), which comprises an international offering of 91,000,000 Offer Shares (“International Offering”) and a Hong Kong public offering of 13,000,000 Offer Shares (the “Hong Kong Public Offering” and, together with the International Offering, the “Global Offering”).

The gross proceeds to the Company from the Global Offering, before deducting underwriting fees and the offering expenses, were approximately HK\$4.17 billion. In addition, the Company has granted the international underwriters an over-allotment option, exercisable from June 30, 2021 until 30 days after the last day for lodging applications under the Hong Kong Public Offering, to require the Company to issue up to an additional 15,600,000 new Shares at the Offer Price (defined below).

The Company entered into cornerstone investment agreements with investors affiliated with The Carlyle Group, Canada Pension Plan Investment Board, General Atlantic, HBM Healthcare Investments and CICC Grandeur Fund. Pursuant to such agreements, they subscribed for a total of 63,215,500 Offer Shares, representing approximately 61% of the Offer Shares offered under the Global Offering (assuming the over-allotment option is not exercised).

With effect upon the listing of the Shares on the Main Board of the SEHK, the board of directors of the Company has adopted the Hong Kong Corporate Governance Code (as set out in Appendix 14 to the Rules Governing the Listing of Securities on the SEHK), in replacement of the UK Corporate Governance Code (published by the UK Financial Reporting Council on July 15, 2018). The Company’s updated corporate governance statement of compliance is available on the Company’s website at <https://www.hutch-med.com/shareholder-information/terms-of-reference-policies/corp-gov-code/>.

As [announced on June 23, 2021](#), the final offer price for both the International Offering and the Hong Kong Public Offering (the “Offer Price”) was set at HK\$40.10 per Share, which is equivalent to approximately US\$25.82 per American depository share (“ADS”) or £3.70 per Share. Each ADS represents five ordinary shares of the Company.

Morgan Stanley Asia Limited, Jefferies Hong Kong Limited and China International Capital Corporation Hong Kong Securities Limited are the joint sponsors for the Global Offering.

In connection with the Global Offering, Morgan Stanley Asia Limited as stabilizing manager (the "Stabilizing Manager") (or any person acting for it), on behalf of the underwriters, may effect transactions on the SEHK with a view to stabilizing or supporting the market price of the Shares at a level higher than that which might otherwise prevail for a limited period after the Listing Date. However, there is no obligation on the Stabilizing Manager (or any person acting for it) to conduct any such stabilizing action, which, if taken, will be done at the absolute discretion of the Stabilizing Manager (or any person acting for it) and in what the Stabilizing Manager reasonably regards as the best interest of the Company and may be discontinued at any time. Any such stabilizing action is required to be brought to an end on the 30th day after the last day for lodging applications under the Hong Kong Public Offering.

Such stabilization action, if commenced, may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws, rules and regulatory requirements, including the Securities and Futures (Price Stabilizing) Rules (Cap. 571W of the Laws of Hong Kong), as amended, made under the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong), Regulation (EU) No 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse (as it forms part of retained EU law as defined in the European Union (Withdrawal) Act 2018) and Regulation M under the U.S. Securities Exchange Act of 1934, as amended.

Potential investors should be aware that no stabilizing action can be taken on the Stock Exchange to support the price of the Shares for longer than the stabilization period which begins on the Listing Date and is expected to expire on Friday, July 23, 2021, being the 30th day after the last day for lodging applications under the Hong Kong Public Offering. After this date, when no further stabilizing action may be taken, demand for the Shares, and therefore the price of the Shares, could fall.

In connection with the Global Offering, the Company has granted an over-allotment option to the international underwriters. Pursuant to the over-allotment option, the international underwriters will have the right, exercisable at any time from the June 30, 2021 until 30 days after the last day for lodging applications under the Hong Kong Public Offering, to require the Company to issue not more than 15% of the total number of Offer Shares initially available under the Global Offering, at the Offer Price to, among other things, cover over-allocations in the International Offering.

In connection with such stabilization arrangements, Morgan Stanley & Co. International plc (“MSI”) has entered into a stock borrowing agreement with Hutchison Healthcare Holdings Limited (an indirect wholly owned subsidiary of CK Hutchison Holdings Limited), pursuant to which MSI (or any person acting for it) may choose to borrow from Hutchison Healthcare Holdings Limited up to 15,600,000 Shares, being the maximum number of Shares which may be issued pursuant to the exercise of the over-allotment option, for the settlement of over-allocations in the International Offering, if any. As MSI (or any person acting for it) has borrowed Shares pursuant to the stock borrowing agreement, it will be required to return the same number of Shares to Hutchison Healthcare Holdings Limited on or before the third business day following the earlier of (a) the last day for exercising the over-allotment option and (b) the day on which the over-allotment option is exercised in full. This arrangement will be effected in compliance with all applicable laws, rules and regulatory requirements. No payment will be made to Hutchison Healthcare Holdings Limited by MSI (or any person acting for it) in relation to such Shares borrowing arrangement.
